KAUSMO PRESENTS KRUSTY - A THOUGHTFUL APPROACH TO ARTISANAL RETAIL PRODUCTS

SINGAPORE, 6 August 2021 - Established during circuit breaker in 2020, Krusty is Kausmo's retail line of artisanal bread, gourmet sauces and spreads, as well as house-brewed kombucha. Aligned with Kausmo's concept of thoughtfulness, the gourmet products will incorporate aesthetically-filtered fruits and vegetables from importers as well as locally grown edibles from farms in Singapore. Fans of Kausmo can expect these retail items to be produced in small batches with ever-changing options and flavour profiles, depending on what is available.

"With many of our guests enjoying our breads and kombuchas, it was the perfect opportunity during Circuit Breaker to allow them to bring home a taste of Kausmo."

- Chef Lisa Tang, Co-Founder – Kausmo -

BREADS

Pic [L-R]: Cheddar Thyme Challah, Kausmo Sourdough

Artisanal breads have taken the world by storm and people all around have fallen in love with breads of all shapes, sizes and textures. At Krusty by Kausmo, customers can look forward to two main-stay bread selections – **Challah (\$15/loaf)** and **Kausmo Sourdough (\$15/loaf)** on the menu with other more seasonal bread selections being included from time to time which may include Brioche, Focaccia and Milk Buns.

A Middle Eastern inspired bread style, our **Challah** is enriched with eggs, olive oil as well as cheddar cheese for a savoury boost. Fresh thyme is added as well for an herbaceous aroma. Best enjoyed on its own or grilled on a pan; making for an amazing French toast!

Thin and crisp-crusted, a must-have classic option - our fluffy **Sourdough** loaves are deliciously seeded with sunflower seeds for a gentle nuttiness, providing nice contrasting textures to the loaves.
